Order Special Terms

Terms & Conditions

This Order Form is governed by the terms Master Services Agreement available online at: <https://www.docusign.com/legal/terms-and-conditions/msa> and the applicable Service Schedule(s) and Attachments for the DocuSign Services described herein available online at <https://www.docusign.com/legal/terms-and-conditions/msa-service-schedules>.

Customer Data uploaded into a DocuSign eSignature Government Product will be hosted within DocuSign's FedRAMP Moderate authorized boundary. "FedRAMP" means the Federal Risk and Authorization Management Program.

DocuSign eSignature Government Products (but not CLM Government Products) include features and functionality that allow Customers to connect to other DocuSign products or to third-party products or services for interoperability purposes. Interoperability refers to multiple computer systems that are connected in a manner that allows them to exchange information. DocuSign eSignature Government Product features allowing for interoperability currently include DocuSign Payments, Comments and Agreement Actions. A complete list of interoperable eSignature Government Product features can be found at

<https://www.docusign.com/legal/terms-and-conditions/esignature-interoperable-features>.

These features are disabled by default for new customers but can be enabled by Customer request. Customers may also use "connectors" to connect DocuSign eSignature Government Products or CLM Government Products to other systems to exchange information. For example, a DocuSign/Salesforce Connector can be used to connect DocuSign eSignature Government Products to a Salesforce product so that information may be exchanged between the two connected systems.

If Customer chooses to connect DocuSign eSignature Government Products to any other DocuSign product or to any third-party products or services, Customer authorizes DocuSign to export Customer Data outside of DocuSign's FedRAMP Moderate authorized boundary for the processing and use of Customer Data by Customer, DocuSign, and/or such third parties (as applicable). For clarity, where Customers connect DocuSign eSignature Government Products with any other products or services (including but not limited to by use of Payments, Comments, Connector or Agreement Action functionality), DocuSign disclaims all liability for FedRAMP control compliance or Customer's obligations relating to Customer Data exported from DocuSign's FedRAMP Moderate authorized boundary.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, DocuSign, Inc. (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
