Re: FY2023 Canyon County Preliminary Design Services Roster

Dear Design Professionals:

We wish to update you regarding Canyon County's FY23 Preliminary Design Services Roster Solicitation of Interest issued by the Board of County Commissioners on March 9, 2023.

As stated in the Solicitation of Interest, Canyon County regularly reviews the feasibility of various potential construction projects, and has found that professionally rendered preliminary architectural and engineering services valued less than fifty thousand dollars (\$50,000) may be helpful to such review. While no formal procurement process is required to secure such limited services, after reviewing the submitted statements of interest the Board has determined that it may acquire services in any manner it deems best from the qualified design professionals listed below:

**Architecture Northwest, PA
Atlas Technical Consultants, LLC
Breckon Land Design, Inc.
CSHQA
Cushing Terrell
Lombard/Conrad Architects
RBA Architects, LLC
Urban Innovation Office**

If anyone objects to this conclusion or process, please provide your objections to the Board no later than 5:00 p.m. on May 2, 2023, setting forth the basis of your objection and the further steps you believe the Board should take, and the Board will consider such objections.

Thank you all very much for participating in this important process. We look forward to working with you all again in the future.

Sincerely,

BOARD OF COUNTY COMMISSIONERS

Commissioner Leslie Van Beek
