Ada County averages about 420 more contacts than Canyon per month, but they have 5 staff members in their Court Assistance Office, whereas, in 2025, Canyon had 2 staff members. Currently, we have 2.5 staff members. We have a very efficient team!

**Jury Trials (District and Magistrate):**

2025	Canyon	1 day	2 days	3 days
Total Jury Trials	121	59	34	28

Caseloads are increasing for our judges, in my State budget, I did request a new district judge for FY2028 based on the case numbers.

**Treatment Courts:**

2025 Graduates	Mental Health Court	Veterans Court	DUI Court (Felony & Misdemeanor)	Felony Drug Court

Treatment Courts impact is far reaching, it benefits the community, family relationships are mended and the participant is held accountable, and has to work hard on making amends. They are a value to our County and we appreciate your support and investment.
